Dear Parent/Guardian:

On January 8, 2002, the United States Congress approved the federal No Child Left Behind Act (NCLB). Broward County Public Schools is committed to following all guidelines as established by NCLB and will provide information regarding classroom teacher qualifications in a timely manner upon request.

You have the right to request the following information:

Whether the teacher has met State qualification and licensing criteria for the grade levels and subject areas in which the teacher provides instruction.

Whether the teacher is teaching under emergency or other provisional status through which State qualifications of licensing criteria have been waived.

The baccalaureate degree major of the teacher and any other graduate certification or degree held by the teacher, and the field of discipline of the certification or degree.

Whether your child is provided services by paraprofessionals, and, if so, their qualifications.

You will be notified in writing if your child has been assigned or has been taught for more than four consecutive weeks by a teacher who has not met the NCLB highly qualified criteria.

Please be assured that Broward County Public Schools is dedicated to providing the students of Broward County with a quality education. The information regarding the qualifications of your child's teacher and/or the classroom paraprofessional may be obtained from Jill Fiorentino, Assistant Principal at 754-323-4200.

Sincerely,  
Seminole Middle School
